I believe, that there's something deep inside

That shouldn't be from time to time.

I sure found out, thought love was such a crime

The more you care, the more you fall

No need to worry, no need to turn away

'Cause it don't matter, anyway

I miss you in a heartbeat

I miss you right away

I miss you in a heartbeat

'cause it ain't love, if it don't feel that way

oh no

When we touch, I just lose my self control

A sad sensation I can't hide

To love is easy, it ain't easy to walk away

I keep the faith and there's a reason why, yeah

No need to worry, no need to turn away

'Cause it don't matter, anyway

[Repeat Chorus]

Now, I ain't big on promises, I'll be true to you

'Cause I'd do 'bout anything, yeah

for some one like, baby for you

[Repeat Chorus]
