Last night I was blown away
I said a million things I'd never say
I was knocked right down, it got to me
Gonna get me some of your chemistry
You want me to promise you
That everything is true
I won't make promises that I can't keep
I won't make promises that I don't mean
I'll even mean the things I tell you in my sleep, yeah
I won't make promises babe, that I can't keep
Oh my my, I lost control
I told you everything, I said it all
You came right out and said to me
"Gonna get me some of your honesty"
You want me to promise you
That everything is true
I won't make promises that I can't keep
I won't make promises that I don't mean
I'll even mean the things I tell you in my sleep, yeah
I won't make promises babe, that I can't keep
You want me to promise you

That everything is true

I won't make promises that I can't keep

I won't make promises that I don't mean

I'll even mean the things I whisper in my sleep

Oh, let me tell you

I won't say a single thing darling, that you can't believe

You gotta believe me

I won't make promises that I can't keep

Oh baby believe me now

I won't make promises that I don't mean

Oh why won't you believe me now

I'll even mean the things I whisper in my sleep, yeah

I won't make promises that I can't keep

Baby, you gotta believe me
