I gotta know right now

It's got to be this time

I wanna show you how

Gonna make you change your mind

There's an empty chair at my table

There's an empty look in your eyes

I just happen to be a man

And you happen to be a woman

And we happen to be together

Try to stop this thing comin'

Stand up, kick love into motion

Take a little love and shake it all around,

Stand up, kick love into motion

Take me in your arms and throw me to the ground

Down to the ground, baby c'mon

Stand up for love

I'm gonna play your game

I wanna play with fire

I want to breathe your air

Baby, gonna take you there

If you lay your cards on the table

I'll lay my love on the line

Till you're mine

Repeat Bridge

Repeat Chorus

You couldn't get it much better

You never had it so good

Stand up together

And when you're ready to

You're gonna get what you should

Little by little

Like a fine wine

My love is like a motor

Runnin' all the time

Step by step

Easy and slow

On the stairway to heaven

What a way to go

Repeat Chorus

Stand up, kick love into motion

Take me in your arms

And show me what you found

Stand up, kick love into motion

My love is like a motor

Runnin' all the time

Stand up, yeah, kick love into motion

I said step by step

Go easy, go slow

Stand up, yeah,

Stand up, kick love into motion

Yeah, on a stairway to heaven

What a way to go, stand up
