You got the look of a howlin' wolf

I like it

The kind of eyes that could start a fire

Yes, I like it

A streetwise dynamo, I switch you on

And I watch you go

A thrill to touch, you're so hot

I'm coming for you ready or not

I'm gettin' ready - Living on the edge of a dream

I'm gettin' ready - Oh, switch on your lovin' machine

Tear it down - There's got to be a better way

Tear it down - I can't wait another day

Tear it down - There's got to be a better way

Tear it down - If only you could stay

All night long

I'm on fire, you're all ice

Once too much is twice as nice

Get tough, fools luck

One bite and I'm hooked

A black cat with a silver tongue

A quick lick and you're gone

One kiss, it hots up

Too close ain't close enough
