"Truth"

I've been burning
And dousing the flames
I feel the whiplash
Of the backlash on my face
I melt to sleep at night
But I wake to trip the day
Never for you never for me
Would I kiss your feet of clay
I'm still alive and so should I
Soak up the wave of compromise
Am I the victim of youth
Is this the truthh
Why don't you tell me
Why don't you tell me
There's no conscience
In charity or shame
The voice deceive me
But believe me its the same
I see the black in white
And the colour in the gray
Better for me better for you

Gonna bleach it all away

I'm still alive and so should I

Soak up the wave of compromise

I see the scars, I hear the lies

So what's the truth

Why don't you tell me
