Well I've been lying awake all night just thinking of you

But a bottle of whiskey lies heavy obstructing my view

I've got a bottle of pills to give me my thrills

And I know that I'm leading a life that kills

Wasted - I've wasted my time

Wasted - I'm shooting a line

Wasted - I'm stuck in a hole

Wasted - I'm losing control

And I've been meaning to call, I've been wanting to
phone

You see I don't like the thought of leaving you here
alone

Well I've seen things down here that are fit for a queen

I've seen things down here that should never be seen

Wasted - I've wasted my money

Wasted - I've wasted you honey

Wasted - I'm out of my brain

Wasted - I'm going insane

I'm running in thin air

There's nothingness everywhere

I've gotta get out, oh won't you help me?

I've gotta get out, oh won't you help me?

I've gotta get out, oh won't you help me get out?
I thought I saw you just the other day
But it couldn't be you 'cos you had nothing to say
'He's going away', they told all my friends
Well now I'll be stuck in here til the misery ends
Wasted - I've wasted my time
Wasted - I'm shooting a line
Wasted - I'm out of my head
Wasted - I wish I was dead
