If you could ever change your heart
If you would only change your mind
Instead of slammin' down the phone girl
For the hundredth time
I got your number on my wall
But I ain't gonna make that call
When divided we stand baby, united we fall

Got the time, got a chance, gonna make it
Got my hands on your heart, gonna take it
All I know, I can't fight this way

1-You could ever change your heart
If you would only change your mind
Cause I'm crazy about you baby
Time after time

2-Without you, one night alone
Is like a year without you baby
Do you have a heart of stone?
Without you, can't stop the hurt inside
When love and hate collide

I don't want to fight no more
I don't know what we're fighting for
When we treat each other baby
Like an act of war
I can tell a million lies
I would come as no surprise
When the truth is like a stranger
It hits you right between the eyes

There's a time and a place and a reason
And I know I got a love to believe in
All I know, got to win this time

Repeat 2, 1...crazy, crazy

Without you, one night alone
Is like a year without you baby
Do you have a heart of stone?

Repeat 2
