Day and night black and white

You take it all for granted

I'm the one who turns you on

When you don't know where you belong

And nothin' seems to matter

I'm the one who's holding on

It's alright to be wrong

All we need's a little time

But nothing here can last that long

We show the world a brand new face

It's taken us all this time

All this time

All of this doubt

We get to work it out

All of this doubt

We get to work it out

Yesterday lost your way

Still looking for an answer

I'm the one who holds the key

When you don't know where you belong

And nothing seems to matter

I'll unlock this mystery

[Repeat Chorus]

[Guitar Solo]

[Repeat Chorus]

All of this doubt

Day and night - Black and White

Take it all for granted

We get to work it out

I'm the one who turns you on

Turns you on - Turns you on

All of this doubt

When you don't know where you belong

And nothin' seems to matter

We get to work it out

I'm the one who's holdin' on

Holdin' on - Holdin' on
