Thunderbirds Are Now! "Satisfied"

In the morning
Don't say you care
'Cause you wanna keep me to yourself
And I don't wanna share

Always pushin'
'Cause that's your style
Well there's only so much time for you
And I got better things I need to do

'Cause you don't You don't keep me satisfied You don't, you don't keep me

Hit the nightlife, I lost control Now there's trouble Walking in the streets of Rock'n'Roll Hangin' with the guys

Well I told her just to get away Now there's nothing left For me to say
