From nowhere through a caravan
around the campfire light
a lovely woman in motion
with hair as dark as night
her eyes were like that
of a cat in the dark
that hypnotized me with love.
She was a gypsy woman

she was a gypsy woman.
she danced around and round
to a guitar melody

from the fire her face was all a-glow

oh
Lord
how she enchanted me.
oh
how I'd like to hold her near
and kiss and forever whisper in her ear
Woo, I love you, gypsy woman, I love you, gypsy
woman.

All through the caravan
she was dancing with all the men
waiting for the rising sun

ev'ryone was having fun
I hate to see the lady go
knowing she'll never know
that I loved her
let me tell you
I love her.

The gypsy woman

she was a gypsy woman

she was a gypsy woman

she was a gypsy woman

a gypsy woman.

Before I knew the night was through
and I was all alone
the charms of the gypsy woman
and her caravan was gone.
All was left were burning embers of a love
that made my heart surrender to a gypsy woman.

She was a gypsy woman

...

I want to kiss you all over till the night closes in
