My thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

I got my thrill
on Blueberry Hill
that's where I found love with you
you said you love me too
on Blueberry Hill

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

like children at play
both of us see Vermont for the day
realised love together
on Blueberry Hill

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

love is in the air here
and everywhere
I am with you
around the world

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

every dream fulfilled

I love you still
loving each other tenderly
on Blueberry Hill

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

with your love I realised good fortune and fame
life and love is my winning game
I climbed Blueberry Hill
where you and me found love

my thrill on Blueberry Hill

my thrill on Blueberry Hill
where you and me found love
always and forever mine

I feel love as a burning flame
I know you feel the same
showing you love me
on Blueberry Hill

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

see love grow
as a light it glows
love in the shape of a red rose
that you gave me on Blueberry Hill

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

you call my name
grace me a home, good fortune, and fame
the love both of us had together
on Blueberry Hill

my thrill on Blueberry Hill

my thrill on Blueberry Hill
where you and me found love
always and forever mine

it's love I desire
a feeling which lights love's fire
clearly said you love me
on Blueberry Hill

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine

my thrill on Blueberry Hill
my thrill on Blueberry Hill
where you and me found love
always and forever mine.
