Lucky starlet in the spotlight  
twinkling  
you make the world alright  
lucky starlet you sure know how to swing  
your luck could cause a sting  
I love the good luck that you bring  
you are my lucky charm  
I am protected in your arms  
shaker money money money-maker  
money money money money-maker

lucky starlet in the spotlight  
alchemy  
you make the world alright  
I am gonna get rich and I won't need a thing  
everything you touch turns into silver and gold  
give me the good fortune told
