I'm in the city
Los Angeles
California
I ride through
town in a stylish stretch limo
stick my head out
of the tinted window
fans see
I'm a big celeb and holla
I'm the big celeb
who has lots of dollars

stretch limousine
I ride in a stretch limousine
it's a ritzy machine
I'm in a glamor scene
big celeb has the hottest car
I feel divine
the moment is mine
I ride in a stretch limousine
stretch limousine

big celeb hear the fans scream
real not a daydream
big celeb has show biz today
in a stretch limo I ride away
I walk on red carpet any day
I wave to people
who come my way
hiya is what I say
I'm glitzy

my stretch limo is ritzy

stretch limousine
I ride in a stretch limousine
it's a ritzy machine
I'm in a glamor scene
big celeb has the hottest car
I feel divine
the moment is mine
I ride in a stretch limousine

stretch limousine

west-northwest of downtown

Los Angeles

I ride in my stretch limo

direct on Hollywood route

a blast is what it's about

I dress in my finest clothes

dame slip on a stunning gown

big celeb in Tinseltown

my pizzazz

razzle-dazzle razzmatazz

stretch limousine

I ride in a stretch limousine

it's a ritzy machine

I'm in a glamor scene

big celeb has the hottest car

I feel divine

the moment is mine

I ride in a stretch limousine

stretch limousine.
