Ladies and gentlemen
step right up and see the greatest show
on Earth, the circus

I'm a ringmaster
with a travelling show
people come and see me
where ever I go
when I speak bold
hearts pound faster
when they hear the voice
of the ringmaster
circus obeys, does what it's told

many rings run around
the circus arena
each act has its own ground
in the circus arena

trapeze artists flying in the air
from trapeze to trapeze
people amaze at their flair
they make it look a breeze

clowns juggling and joking
turning peoples' frowns
upside-down
other clowns driving mini cars
and their horns are honking
see them pulling pranks
with their mischievous monkeys

I got a job with the big top, baby
I'm a beautiful, clever, ringmaster
with a travelling show
when I speak bold
circus obeys, does what it's told
I bring on the circus acts
during the show

I'm a pretty platinum baby gal
I'm spinning forevermore

and you love the circus

I'm a ringmaster
with a travelling show
people come and see me
where ever I go
when I speak bold
hearts pound faster
when they hear the voice
of the ringmaster
circus obeys, does what it's told

lion tamer is sounding his whip
so the roaring wildcats
stay in their ring
and are remaining within his grip

exotic elephants trumpeting
circus tunes strumming
peoples' toes tapping and

they're humming

circus hoopers whirling loops
with their hula hoops
acrobats enter their ring tumbling and
handwalking
stilt walkers walk on stilts midair
stilt walking

graceful roving characters and
human statues dress as,
a bebopping robot
sandman sprinkling sand
bringing a dream from dreamland
a dragon breathing fire
tightrope walker walking on a wire

it's the amazing circus
it's the amazing circus
it's the amazing circus

I'm a ringmaster
with a travelling show
people come and see me
where ever I go
when I speak bold
hearts pound faster
when they hear the voice
of the ringmaster
circus obeys, does what it's told

I got a job with the big top, baby
I'm a beautiful, clever, ringmaster
with a travelling show
when I speak bold
circus obeys, does what it's told
I bring on the circus acts
during the show

I'm a beautiful, clever, baby gal
I'm spinning forevermore
and you love the circus

I'm a ringmaster
with a travelling show
people come and see me
where ever I go
when I speak bold
hearts pound faster
when they hear the voice
of the ringmaster
circus obeys, does what it's told

I'm a ringmaster
with a travelling show
I'm a ringmaster
with a travelling show
I'm a ringmaster
with a travelling show.
