I remember leaving my hometown to  
live in another city  
living in the deep south on my own  
the days go by and seasons change  
winter soon became summer  
feeling nostalgic to go home once again

southern trail  
I'm going home again  
southern trail  
I'm on my way home  
from the valleys of gold  
a southern town  
where the scent of  
smoke and whiskey fill the air

arriving in my home town  
on a summer day  
my friends are there greeting me  
with faces smiling sweetly  
it's good coming home once again

southern trail  
I'm coming home again  
southern trail

I'm on my way home  
from the valleys of gold  
a southern town  
where the scent of  
smoke and whiskey fill the air

(8th repeat/ a refrain)

these summer holidays are the best  
I am glad coming home for a rest  
my friends and I have fun all summer  
while I am home for the holidays

southern trail  
I'm going home again  
southern trail

I'm on my way home  
from the valleys of gold  
a southern town  
where the scent of  
smoke and whiskey fill the air .
