I get the notion
you hope I
wear my heart on sleeve
reveal a love secret
tell you a thing about love
virgin heart is a
virgin at heart
the heart of a virgin
pure at heart
somebody you rely on
and trust
of oak brave and honest
is a virgin at heart
virgin has the key to your heart
virgin has the world in hand
virgin by heart

virgin heart is a
virgin at heart
the heart of a virgin
somebody new to love
a pure virgin at heart
somebody not been in love
a virgin is not in love
love is a feeling that is
new for a virgin heart
somebody chaste
says you are the one
when a virgin loves you
you are the one they love
virgin has the key to your heart
virgin has the world in hand
virgin by heart

reveal a love secret
tell you a thing about love
virgin heart is a
virgin at heart
the heart of a virgin
pure at heart
somebody king by being
thoughtful

generous
to mean well
soft-hearted
virgin dearly loved
is a virgin at heart
virgin has the key to your heart
virgin has the world in hand
virgin by heart

virgin heart is a
virgin at heart
the heart of a virgin
pure at heart
somebody that has spirit
courage
inspiring
virgin near to your heart
ambitious
sparkly
beautiful
tender and loving
is a virgin at heart
virgin has the key to your heart
virgin has the world in hand
virgin by heart.
