i love you
i want you
i need you to hold me

i miss your love
i need your love
i need you to want me

i miss your kisses
i miss your hugs
i miss the way that you loved me

your love has everything to do with me
because without your love i fall apart
because all i do is think of you

i love you
i want you
i need you to hold me

i miss your love
i need your love
i need you to want me

i miss your kisses
i miss your hugs
i miss the way that you loved me

you are my life you are my angel
without you in my life i would not be here right now

i love you
i want you
i need you to hold me

i miss your love
i need your love
i need you to want me

i miss your kisses
i miss your hugs

i miss the way that you loved me
