Oooh,
Oh baby,
Eheeeey,
Oh

Every waking minute,
I sit here thinking of you
And can?t wait to get in it
I?m waiting for the week to be trough

Saturday?s the only day I'm wake up thinking 'bout
'Cause any other day is just another day no doubt
'Cause every time I think about you, thoughts go trough
my mind
And everybody?s working for the week, eyyy

Everything is alright on a Saturday night
Tonight got all my fellas with their honeys by my side
The DJ spins a record ?til he hits the morning light
And everything?s gon be OK
Cause it?s a Saturday

Ain't thinking about Monday or Tuesday or Wednesday
it's alright
Ain't thinking about Thursday or Friday cause tonight?s
Saturday night.

Every waking hour
I think about just you all by my side
And I can?t wait much longer
Wanna show you how I feel for you tonight

Saturday?s the only day I'm wake up thinking 'bout
'Cause any other day is just another day no doubt
'Cause every time I think about you, thoughts go trough
my mind
And everybody?s working for the week, eyyy

Everything is alright on a Saturday night
