We got a party going on!

We got a party going on!

Get ya hands up!

Every week and minute (and minute)
I sit here thinking of you
I can't wait to get in it (get in it)
I'm waiting for the week to be through

Saturday's the only day I wake up thinking 'bout
Coz any other day is just another day no doubt
Coz every time I'm thinking 'bout you, thoughts go
through my mind
And everybody's working for the week and?

Everything is alright on a Saturday night (Saturday)
And I've got all my fellas with their honeys by my side
(Girlfriends)
(Saturday) The DJ spins a record 'til he hits the morning
light (DJ spins)
(Saturday) And everything's gonna be OK (Be OK)
Coz it's a Saturday (Saturday)

Ain't thinking 'bout Monday (ah) or Tuesday (ah) or
Wednesday (ah) its alright (ah)
Ain't thinking 'bout Thursday (ah) or Friday (ah) coz
tonight is (ah) Saturday night (ah)

Every week and hour (and hour)
I think about just you all by my side
And I can't wait much longer (much longer)
Wanna show you how I feel for you tonight

Saturday's the only day I wake up thinking 'bout
Coz any other day is just another day no doubt
Coz every time I'm thinking 'bout you, thoughts go

through my mind
And everybody's working for the week and?

Everything is alright on a Saturday night (Saturday)
And I've got all my fellows with their honeys by my side
(Girlfriends)
(Saturday) The DJ spins a record 'till he hits the
morning light (DJ Spins)
(Saturday) And everything's gonna be OK (Be OK)
