I know you want me baby,
I think I want you too,

I think I love you baby,
I think I love you too,

I'm here to save you girl,
come into Shady's World,
I wanna grow together,
let's let our love unfurl,

Times at night,
when I look up to the sky,
I start to think of you,
and then ask myself why,
why do I love you,
I think, and smile
Because I know,
the list could run on for miles

I do know one thing though,
Bitches they come they go,
Saturday through Sunday, Monday,
Monday through Sunday, yo
Maybe I'll love you one day,
Maybe it will someday grow,
till then just sit you drunk ass on that f**kin' run way,
hoe

The whisper of your voice,
the warmth of your touch,
my feelings are so strong,
and I love you so much,
why do I love you,
I think, and smile,
because I know,
the list could run on for miles

~~ Always and Forever! ~~

Don't get me wrong,

I still see Brit, everybody knows,
yeah we f**k, but so what,
that's about as far as it goes,
we will be friends,
I'll call you again,
I'll chase you around every bar you attend,
never know what kinda car I'll be in,
to see how much you've been partyin

You don't want that,
neither do I,
I don't wanna flip when I see you with guys,
too much pride between you and I,
not a jelous man but females lie,
but I guess that's just what sluts do,
how could it ever be just us two,
I'll never love you enough to trust you,
we just met and I just f**ked you

But I do know one thing though,
bitches they come they go,
Saturday through Sunday, Monday
Monday through Sunday, yo
Maybe I'll love you one day,
Maybe it will someday grow,
till then just sit you drunk ass on that f**kin' run way,
hoe

I know you want me baby,
I think I want you too,

I think I love you baby,
I think I love you too,

I'm here to save you girl,
come into Shady's world,
I wanna grow together,
let's let our love unfurl

The whisper of your voice,
the warmth of your touch,
my feelings are so stong,
and I love you so much,
why do I love you,
I think, and smile,
because I know,
the list could run on for miles

First thing you say,

I'm not phased,
I hang around big stars all day,
I don't see what the big deal is anyway,
you'r just plain old Marshall to me

Hayley-Jane, I love that name,
love that tattoo, what's that say
Rot In Peace, ah that's great

First off, you don't know Marshall,
at all so don't go partial,
that's amo for my arsnal,
I'll slap you on that barstool,
there goes another law suit,
leave hand prints all across you

You want what you can't have,
oh girl that's too damn bad,
don't touch what you can't grab,
put anthrax on a tampax,
and slap you til you can't stand,
girl you just blew your chance
