Moonlight, spend the time together, feeling so right.
It's making last forever, and I hold you tight.
It's such a wonderful night.
Moonlight, the streets are covered in a snowy white.
I see the joy it brings when I look in your eyes.
It's such a beautiful sight.

I can?t get you outa my mind, I can?t lie
All I need is you and a special time
And I'm glad to say that you are mine.
Cuz' I can't take it.

This ain't nothing but a winter jam,
good times with family and friends, whohoho
This ain't nothing but a winter jam,
we're gonna celebrate as much as we can.
And this ain't nothing but a winter jam,
we're gonna celebrate as much as we can.

Tonight, cruzin' down the boarder for the starlight.
People singing every day and every night,
as far as the eye can see.

I can't get you outa my mind, I can?t lie
All I need is you and a special time
And I'm glad to say that you are mine.
Oh, winter moment.

This ain't nothing but a winter jam,
good times with family and friends, whohoho
This ain't nothing but a winter jam,
we're gonna celebrate as much as we can.
And this ain't nothing but a winter jam,
we're gonna celebrate as much as we can.
