You wasted days
Wasted emotions
Love is dangerous with devotion
Touch me
Oh, it's like ecstasy.
Daytime friends and nighttime lovers
Babe, you know you're under cover
Touch me
It's more than fantasy.

Oh, you're woman
I'm a man
Like an old-time movie ends
Come and take my heart tonight.

Love is just a breath away
Suzanne
Oh, come take the magic words Je t'aime
This world is not my home
It's not my home tonight.
Love is just a breath away
Suzanne
Oh, I hear my heartbeat in your hands
Oh, I want to lose control 'cause you understand the
game.
Ooh,
Suzanne!

You can dance away your sorrows
You can dance the bad tomorrows
Touch me
Oh, it's like ecstasy.
We better try to be together here and now
Not just forever
Touch me
It's more than fantasy.

Yeah, you're woman
I'm a man
Like an old-time movie ends
Come and take my heart tonight.

Love is just a breath away
Suzanne
Oh, come take the magic words Je t'aime
This world is not my home
It's not my home tonight.
Love is just a breath away
Suzanne
Oh, I hear my heartbeat in your hands
Oh, I want to lose control 'cause you understand the
game.
Suzanne!
