Playing with fire gets you burned  
I knew it but still I didn't take heed  
Two is company, three is a crowd  
I knew that too but still I couldn't let go

It's burning me, burning me  
Like a beggar for money I'm drawn

Between two fires I might stand  
Filled with a flame both bitter and sweet

It's burning me, burning me  
Like a beggar for money I'm drawn

To the flame, I am the one to blame  
Flame, I have been drawn to the flame  
I'm burned by the fire that is you

To the flame, I am the one to blame  
Flame, I have been drawn to the flame  
I'm burned by the fire that is you

Playing with fire gets you burned  
I knew it but still I didn't take heed

It's burning me, burning me  
Like a beggar for money I'm drawn

To the flame, I am the one to blame  
Flame, I have been drawn to the flame  
I'm burned by the fire that is you

To the flame, I am the one to blame  
Flame, I have been drawn to the flame  
I'm burned by the fire that is you
