## "Feed The Fire"

Visit "[Feed The Fire](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Burn me ??Â" with your eyes of fire  
Turn me ??Â" from faith to desire  
Take me ??Â" across the line and through the door  
Break me ??Â" make me your slave forevermore  
It feels so good  
To be so bad

I'm flying ever higher  
On the wings of desire  
Flying too close to the wire  
I'm going to take the fall  
Just to feed the fire

Waiting ??Â" for another chance to steal your glance  
Watching ??Â" you spin around like in a trance  
Craving ??Â" to be close enough to feel your breath  
Knowing ??Â" that this will be the kiss of death  
It feels too good  
To ever turn back

I'm flying ever higher  
On the wings of desire  
Flying too close to the wire  
I'm going to take the fall  
Just to feed the fire

It feels so good  
To be so bad

I'm flying ever higher  
On the wings of desire  
Flying too close to the wire  
I'm going to take the fall  
Just to feed the fire
