I am a man without a heart
Without a soul
I'll heal it for you
If you'll play my role
Come closer if you dare
I will show you the way
Of pleasure and of pain
I'm the light of your day

[Pre-chorus]
Walk through the fire we've made
Over the seas of our times
Higher, we're all in sublime

[Chorus]
I'll be here by your side forever
I'll shadow your steps, again and again
We'll be changin' this scene together
Through the joy and the pain
'Coz I am the Tool of the Devil

You'll try to stay on path
Try to keep direction
While the voices in your head
Whispering deception
Your standin in the middle
Don't know what to do
I'll give you the answers
To get you through

[Pre-chorus]

[Chorus]

[Guitar solo: Nino]

[Pre-chorus]

[Chorus x2]

Tool of the Devil
Tool of the Devil
