Another day has passed again and I'm sitting here by
myself

Wondering did I fill my place again, did I make it right

Will I ever feel free again and finally relieved

Will I ever see myself again leading my own life

Sometime, somewhere, someone will care

About the things I've done

The stronger I get, the more I'll accept

I will be weak without you

Day by day I'm drifting away

Never knowing what to seek

Time after time I keep asking why

Why I feel so weak

Day by day I'm drifting away

Never knowing what to seek

Time after time I keep asking why

Why I feel so weak
