Let's sit down and talk about your life
Hannah Doot - Hannah Doot
And tell me why the tears are in your eyes
Hannah Doot - Hannah Doot

She's crying - I'm trying
Not to feel so sad
But its time to say goodbye
Its time to say goodbye

Things are always what you hoped they are
Hannah Doot - Hannah Doot
You soon find you're in a position pushed too far
Hannah Doot - Hannah Doot

She's crying ..

There's nothing in your head to tell you why
Hannah Doot - Hannah Doot
Cos nothing's every happened in your life
Hannah Doot - Hannah Doot

She's crying ..

So Lets sit down and talk about your life
Hannah Doot
