Hey - hey - hey

You come up to me  
Saying that you can see  
Whilst your in a hole  
Your useless  
Say you're not a friend  
Drives you round the bend  
Everything you does  
Is success  
Haven't you been told  
You will soon be old  
Bet your life will now  
With a charm set

Hard luck - but you got what you wanted  
Hard luck - but you got what you wanted of me  
Hard luck - but you got what you wanted  
Hard luck - but you got what you wanted of me  
Hard luck - Hard luck

He's been working hard  
He can run a car  
Only catching girls  
That he knows  
He gets out quite late  
You lie on thrill late  
Lying in your bed  
Reading Beanos  
If you weren't like him  
You may not have been  
A song between  
The sucking Venos

Hard luck...

Hey - hey - hey...

Hard luck...
