By Them

I can't give you more than what I've got

I can't expect to give what I have not

I can only give you loving til the sun goes down

And until the leaves of summer turn to shades of brown

I try and I try

But baby - you know that I

Can only give you everything

I can't argue with you to understand

Cos after all I am just a man

And you are on my mind

When stars appear and shadows fall

And when ever little flower goes

And and no buds call

I try ...

I'll do anything you want me to do

Cos I don't want to know there's life without you

Don't ever go and leave me in this world alone

I'd be like a child if I was on my own

I try ...

Everything baby

A little bit of this

A little bit of that

And everything
