Well - I'm sittin' here sinking on deeper down
My head is a-spinning around and 'round
I can't seem to shake this feelin'
Oh - my body is a-rockin' and reelin'
Oh - it's such a funny feelin'
Well - I know this is the last time around for me - oh
yeah

Oh/Well I'm sinking - oh - I'm sinking on deeper down
My eyes are blurred and I can't hear a sound
Fight it - help me fight it
'Cause I know this is the last time around for me - oh
yeah

Oh - it's taken me over and swallowed me up
I'm caught in a landslide - I can't run or duck
I've run out of time and I've run out of luck
I know this is the last time around

Oh - yeah
Last time around

Well - I know this is the last time around for me
