"Like That"

Visit "[Like That](#)" on MotoLyrics.com

It's the end of the rainbow
It's the end of us all
It's the end of our feeling
Our reason to fall - none at all

Open your eyes love
Reveal a disguise
You words have no meaning
All rise
All them lies

And I try to hide
Yes I try to hide

Under the sunlight
Away from the wall
Left with his hands tied
The curse of it all

Walking with me now
Hang on to them all
It's the end of our feeling
No reason to crawl - none at all

Said he didn't like it - but he liked it like that
Said he didn't like it - but he liked it like that
Said he didn't like it - but he liked it like that
Said he didn't like it - but he liked it like that
