Can you still recall
In the jukebox hall
Where the music played ?
And the world spun round
To a brand new sound
In those far off days
In their blue suede shoes
They would scream and shout
Sing the blues
And let it all hang out

Rock And Roll - Hey - Rock And Roll
Rock And Roll - Rock - Rock and Roll

Little Queenie bopped out
Of the high school hop
Dancing to this beat
With the US mail
In a pony tail
With a look such sweet
The times are changing fast
And we all know that
Sooner or later we'll be rocking yeah

Rock And Roll
