Mmm mmm
I don't know how I survived
In this cold and empty world
For all this time
I only know that I'm alive
Because you love me

When I recall what I've been thru
Theres some things that I wished I didn't do
Now I do the things I do because you love me

And Now that you're in my life
I'm so glad I'm alive
cause you showed me the way
and I know now how good it can be
because you love me

instrumental

Oh
And now that your in my life
Oh I'm so glad I'm alive
Cause you showed me the way
And I know now how good it can be
Because you love me

I believe in things unseen
I believe in the message of a dream
I believe in what you are
Because you love me

With all my heart
And all my soul
I'm loving you
And I never will let go
And every day I let it show
Because you love me

Because you love me
Oooooo
Because you love me
