[Busta Rhymes]

Wassup, my people!

I am your weatherman, Busta Rhymes

I've come today give you your weather forecast

Y'know today looks like one of those beautiful days,
y'know

To be perfectly honest...there ain't a cloud in a sky

Y'know this a kind of weather where you take your girl
to the beach..

Lay down and talk to her..

Luther, step to the microphone

[Luther Vandross]

When I wake up in the morning, love

And the sunlight hurts my eyes

And something strange without a warning, love

Bears heavy on my mind

Then I look at you

And the world is all right with me

Just one look at you

And I know it's gonna be..

[Chorus 4X]

A Lovely Daaaaaaaaaaaaaaaaayyyyyy (Lovely Day,
Lovely Day, Lovely Day)

When the day that lies ahead of me

Seems impossible to face

When somebody else instead of me

Always seems to know the way

Then I look at you

And the world is all right with me

Just one look at you

And I know it's gonna be..

[Chorus 4X]

A Lovely Daaaaaaaaaaaaaaaaayyyyyy (Lovely Day,
Lovely Day, Lovely Day)

[Bridge]

It's gonna be a Lovely Day (it's gonna be...)

It's gonna be today!

It's gonna be a Lovely day

Today I love the world and I love you

[Busta Rhymes]

Let's take a ride baby and park under a lamppost

Recline a seat, relax, and let's listen to Mr. Vandross

And watching how my mami watching her dude

Creating a situation that put us right in the mood

(I'm sayin') I got plenty suggestion on what that we
could maybe do

Especially when we're rocking the songs we make
babies to

You know the way we do, baby, and as we lay

I look at you and sit back and think how today was such
a Lovely Day

(Chorus and Bridges until fade)
