as i sit by myself  
ive come from so  
so far away  
in such little time  
i have killed  
my soul  
my mind  
ive tried so hard to find  
is this what i must do to get by  
and i ask myself why?

why dont run  
why dont you call me  
out to you

ill find my way  
or will you help me  
help me share

wish you understand me  
listen to what i say  
turn her back on my dreams  
watching  
waiting  
find my way out  
turn your back on my dreams  
so strong  
so weak  
but so disused  
is this what i must do  
decide  
why  
i know (x3)

why dont run  
why dont you call me  
out to you

ill find my way  
or will you help me  
help me share

ill find my way (x9)
