As soon as I get my head round you  
I come around catching sparks off you  
I get an eletric charge from you  
That seconde hand living it just won't do  
And the way I fell tonight  
I could die and I wouldn't mind  
And there's something going on inside  
Makes you want to feel makes you want totry  
I can't stand up I cant' cool down  
I can't get my head off the ground  
As soon as I get my head round you  
I come around catching sparks off you  
And all I ever got from you  
Was all ever took from you  
And the world could die in pain  
And I wouldn't feel no shame  
And there's nothing holding me to blame  
Makes you want to feel makes you want to try  
Makes you want to blow the stars from sky  
I'm taking myself to the dirty part of town  
Where all my troubles can't be found
