Every bit of me is broken!

My body, my mind, my heart!

What more do you want from me?

What? I didn't ask for this!

And you allowed it to happen!

You allowed me to become this creature of the dark!

What do you want me to say?

That I accept what I am?

I accept! I am evil!

And I'm sorry. I'm so sorry.

Forgive me, Nicolas.

Forgive me, Louis.

Forgive me, Claudia.

Forgive me, Gabrielle, mother.

I am alone. But that is how it must be.

I see that now, God.

I finally see.

(sung)

I'm tired, I've been torn.

Cruel light of dawn

Comes now to claim back my soul.

Take me away.

Carry me back to your home.

(spoken)

Marius.

Marius

(spoken)

Get up, Lestat.

Lestat

(spoken)

I can't my legs are shattered.

Marius

(spoken)

Do you see that crimson glow over there?

I would get up.

Lestat

(spoken)

I can't!

Marius

(spoken)

Lestat!

Get up, son.

Lestat

(spoken)

I am the vampire Lestat. And I will live forever.
