"I was sittin' one day  
En el cafeterÃa  
When suddenly it came to me...  
Onomatopoeia!"  
REFRAIN:  
"ONOMATOPOEIA!  
CRASH! BOOM! BANG! CLICKETY!  
ONOMATOPOEIA!  
CRASH! BOOM! BANG! BOMBASTIC!"  
"De repente there was a sound  
>From towards the galerÃa...  
Never was there something as profound  
As Onomatopoeia!"  
REFRAIN  
"It filled my soul, invaded my brain --  
Grandma's apple pie! Pobrecita!  
The harsh, hollow, harrowing tones  
Of onomatopoeia!"  
REFRAIN
