...& The Ripchords

Well, I'm gettin' tired of workin' day to day  
Gettin' up at six, doin' what other people say  
Sometimes I get depressed and I have to move away  
'Cause the only time I have is when I'm rockin' on a stage  
Yeah, I get so excited when I rock  
I'm like an atom bomb baby, I'm gonna drop  
My fuse is gettin' shorter baby, I'm ready to explode  
I get so excited when I rock 'n' roll  
Yeah, I get so excited when I rock (rock-rock-rock)  
Yeah, I get so excited when I rock (rock-rock-rock)  
You know I get so excited when I rock 'n' roll

Well, the life I'm leadin' makes me feel like a clown  
I gotta get away, I've gotta get out of this town  
I'm gonna see the world, 'cause I'm too young to settle down  
I'm gonna keep a-rockin' till they put me in the ground  
Yeah, I get so excited when I rock  
I'm like a neutron bomb baby, that no one can stop  
My fuse is gettin' shorter baby, I'm ready to explode  
I get so excited when I rock 'n' roll  
Yeah, I get so excited when I rock (rock-rock-rock)  
Yeah, I get so excited when I rock (rock-rock-rock)  
You know I get so excited when I rock 'n' roll  
Rock 'n' roll, rock 'n' roll (jump!)

Well, I get so excited when I rock  
I'm like a ton of dynamite, just ready to pop  
My fuse is gettin' shorter baby, I'm ready to explode  
I get so excited when I rock 'n' roll  
Yeah, I get so excited when I rock (rock-rock-rock)  
Yeah, I get so excited when I rock (rock-rock-rock)  
You know I get so excited when I rock 'n' roll  
Rock 'n' roll, rock 'n' roll  
Well, I get so excited when I rock  
Yeah, I get so excited when I rock  
You know I get so excited when I rock
