Girl, I want your love
You're everything I'm dreaming of
Forever we will be in love endlessly

I believe I will always be loving you endlessly

Girl, I want your love
You're everything I'm dreaming of
You will always be a part of me

Lost inside your touch
Found I never felt so much
Hold me in your arms...love me tenderly

I believe I will always be loving you endlessly
Can't you see all I need is to love you endlessly
Oh Darling

Give your heart to mine
'Til the end of time
Forever we will find our love will be endlessly

I believe I will always be loving you endlessly
Can't you see all I need is to love you endlessly
Oh baby

Lonely hearts can dream
What lovers' eyes have seen
But I will always be oh darling, in love with you

Endlessly endlessly
You know together we will be forever endlessly
Endlessly...oh baby, endlessly
You know together our hearts beat forever endlessly
