[Thirstin Howl]

Yo, I don't come from the suburbs and a big house,  
with a backyard and a front lawn and all that  
I never lived in a condo  
Yo, I... I ain't even out on my own yet!  
I'ma keep it real on the strength..

chorus: [Thirstin Howl, (Master Fuol)]

I still live with my moms (livin' with my moms)  
This is for the heads that still live with they moms  
I live with my moms  
(live with my moms)  
I can't even front I still live with my moms  
[still livin' with my moms]  
(livin' with my moms)  
A lot of Brooklyn heads still live with they moms  
live with my moms (livin' with my moms)  
[A grown ass man and] still live with my moms

[Master Fuol]

Yo... yo, yo, yo fuck that!  
yo as far as I know, straight up and down. Momma do  
the laundry,  
momma pay the bill, momma cook the food,  
yo stren'fth, I ain't going no where!

[Thirstin Howl], {female}

{Nigga's trying to fuck me while his mom's home}  
Free rent, light, gas and phone  
A momma's boy even though my ass is grown  
Got the same bedroom, since third grade  
Still be living here when I'm eight hundred and eighty  
eight

[Master Fuol]

The only woman a man can trust  
Even my uncle still lives with my grand-ma  
My baby mother, knows that I know  
If I move in with her, {you'd be calling Tyrone}  
I'm never moving out of my mother's house  
{Not even for these candy pannies that dissole in your

mouth}

Not even if you gargled by the ounce  
And couldn't make bottles disappear to entertain  
crowds

{yo what's all that for? you disrespecting me? you  
lucky your ass ain't move  
in with me! I would've ripped up all your shit!}  
Stupid tell me something I didn't know.

chorus: [Thirstin Howl, {female}]

That's why I still live with my moms {you live with your  
moms?}

I can't even front I still live with my moms  
I live with my moms {you livin' with your moms?}  
Another Brooklyn head who lives with his mom  
I live with my moms {livin' with your moms?}  
{Sorry ass nigga still livin' with yo moms}  
still livin' with my moms, I live with my moms  
{He livin' with his mom} [a grown ass man] {still livin'  
with his mom}

[Thirstin Howl]

I ain't ashamed, I ain't ashamed....  
Shout out, to my niggas in Comp-ton  
Who still live with they moms and fight they brothers  
for the top bunk  
I always say I'm moving out this year  
But it'll be sooner if welfare finds out I live here  
Yo it's cheap by my place  
I ain't scared to open bills cuz non of them in my name  
Got kicked out, my mom said I could move back  
If I prove that I didn't steal my sister's food stamps  
Every parent's panic  
Is to have they little boy with a prison mailing address  
She said, my rep, is not in question  
As long as she was one that gave me the boxing  
lessons  
So I throw out the garbage and wash the dishes  
And I can't go outside without my mom's permission  
Even though my flow is uncomparable  
I'm an unsigned hype with no where else to go

[Master Fuol]

yo, yo hold on, hold on  
what...why you tell 'em all your business for man?

[Thirstin Howl]

I ain't ashamed

[Master Fuol]

What if your moms really kicked you out man, then  
what'chu goin' do?

[Thirstin Howl]  
I'll go move in with my pops!
