It's a wild one

As I sit back relax steam a blunt and sip a becks,
y'all know the words, y'all know the motherfucking
words

(chorus)

Dreams of fucking a cartoon bitch
"I cant go to sleep cause i'm so damn scared"
Dreams of fucking a cartoon bitch
"Got me having these crazy nightmares"

(Thirstin)

To take it is tasteless
This dick will have Wonder Women pawning her
bracelet
All for candy to little Orphan Annie
In front of Tweety Bird I back shot Granny
Me and Shaggy ran trains on Velma, Daphne
Nasty! She-Hulks pussy nappy
Little Mermaid her bra made of shells
I know the pussy good but I'm not trusting the smell
Olive Oils starving don't even start me
Wilma and Betty wear the same shit to every party
Barbies got it all she can have my seed
The PowerPuff Girls got their name smoking weed
Raggedy Anne got no breasts and she cant dress
I'm not fucking with that ho she dont keep a clean crib

(chorus)

Brunhilda rides her broom in more than one way
Cheetara had some pussy thats untamed
Betty Boop is a racist she ain't acting right
Only fucks characters thats black or white
Charlie Brown said Lucy twat is juicy holding her knee
Little girl? She's really older than me
Jasmine from Aladdin we were reggae cabin stabbin
Pussy plant can finger fuck or get my hand in
When this occurs treat them like birds
Smurfette rode this dick thats bigger than her
I fucked them all and counting, loudly, proudly

Yogi Bear's scared to have his bitch around me

(chorus)

Snow White ain't too pure with this thing in her mouth
Cinderella saw a ball without me taking her out
Catwoman is a freak you can tell by her outfit
One finger four fingers in her meow mix (meow)
Any weathers clever I ain' fearing shit
Storm fucks better while on her period
Considered marriage to Jessica Rabbit
Eat it, fucked her talked dirty in spanish
Pussy ate raw never safe y'all since 1950 some
thing Minnie Mouse wore the same drawers
Pumped Pocahontas, Jane, Judy Jetson
Where the fuck these cartoon bitches get their hair
done?

(chorus)
