GREEN GRASS

(R.Greenaway/R.Cook)

GARY LEWIS AND THE PLAYBOYS - 1966

Green grass down my window, growin' that the wind
blows

Yes it's springtime, golden sunshine

And we're glad my little love and I now the summer
time is nite

Care free isn't caught full, dream away all the troubles

'Cause it's springtime golden sunshine

While the bluebirds sing their magic song, we will love
the summer long

All the winter we've been waitin', girl that I'm yes
unplainin'

What we're gonna do with summer over do

Now it's here we're all together, so the weather non
have better

Do his best to make a show and bring a sunshine after
grow the

Green grass down my window, growin' that the wind
blows

'Cause it's springtime golden sunshine

While the bluebirds sing their magic song

We will love the summer long

We will love the summer long
