1st verse :

I was thinking you and me
Could start again, fulfill a dream
Read that somewhere we would find,
A paradise,
Walls of change have clearly fell
Showing loves cry out for help
But if you only try with me
You'd see that we

Bridge :

Should be trying to find a cause
For our own flaws
But know that just to be, with you, in a love that's truly
free
That could be you and me

Chorus :

It's be something to see, cause you know we're too far
gone
To ever be, the same way we've been so long
It'd be something to see, we can make it if we hold on
The way it should be, with love leading us along

2nd verse :

A love so beautiful to me, now's the chance for all to
see
All you need is to believe, love's the key
With peace between us, you and me, then a crystal
city's where we could be
Then there'd be no mystery, just free to be

Bridge :

Only train to find a cause,
For our own flaws
But know that just to be with you, and in love was all it
was
It should ever be because
