I'm so hi', all I smell like is smoke

Yeah, that motherfucking green; yeah, that got damn
dope

[Verse 1: DJ Paul]

I fuss wit' the light green

I fuss wit' the drizzle hoe

I puts five to the tail

I smokes till it is no mo'

I fuss wit' this hotel

I gots towels to the do'

I fuss wit' this freaky hoe

That's down fo' the dicky flo'

I'm blazin' this sticky, but never mixing it wit my coke

This one right here for the nose

This one right for the smoke

This one right here for the dollars

This one right here roll the blunt

I'm taking six from the stix

I'm wildin' like niggas stunt

[Verse 2: Juicy J]

1st you get the swishers

2nd buy the liquor

3rd buy some of that sticky, most smokers call it sticker

Can't forget the Newport, suckin' on my too short

Call my nigga Big Tris, bring that blow and snizort

I'm high ass fucking lizzy

I'm stressin' how I'm livin'

Oh please, oh please, oh please

just give me just one mo' hizzle

This hydro weed I got some

I might blow you a shotgun

But if you can't play hizzap

I guess yo ass don't want none

Hook repeats 4x

Then my nigga looked at my me
Then we started to repeat

[Verse 4: Gangsta Boo]

Yo, I be smokin' out daily,
maybe get up on some hazy
Then remote and faded baby,
cause you niggas drive me crazy
Still a lady when I'm escalated
Faded with my peeps
Bobby Brown smokin' niggas know not to even step to
me
When I'm high I ain't gone lie,
I'm feeling freaky up inside
You wanna keep it on the low
I put my truck on the other side
Nigga nigga what'chu mean Gangsta Boo be on that
green
Looking good up on the scene
Posted up knowhat I mean

Hook repeat 4x

[Verse 5: Lord Infamous]

Gone on the pills after ???
Yes I break out of the lot
Smoke too much hydro puff
I'm takin' it up a notch
??Too me you ain't got to eat??
??And the stranger thinks of me??
I'm paralyzed from the P
I'm shootin' up cause of thee
Bacardi for cocoa plex
I step up and now he latched
I'm going in to a trance
Da deadliest demon man
You thus as the Sosate say
Yeah pass me that saucer tray
Or pass me a blunt of hay
I wanna just drift away, drift away

[Verse 6: Koopsta]

I be smokin' on motherfuckin weed
and chiefin' out
Hear me saying satanic prays
Let her suck my dick
Fo this girl drive me crazy
These niggas got me doped
Gotta blaze a blunt into me
Fo just take me to the chiefin' room
Fuck the city with the chicken
Chief the chicken, roll the chicken
Smoking got the chicken out there dirty,
with a lot of sticky
Hear me this and I think I blowed a pound
Now I seen me a little silhouette of mine

[Crunchy Black]

Yeah that mothafucking green {*repeat 3X*}
Yeah that got damn dope
