[Hook:] x2

Put ya sign in his face, gang sign in his face  
Put ya sign in his face, gang sign in his face  
Make them niggas fight, what make them hoes fight  
Make them niggas fight, what make them hoes fight

[Gangsta Boo]

If you bitches ain't scared put a bitch right to the floor  
Tell her she belong below under shoes where roaches  
go  
Hoe I'm ready if you ready tell me what you wanna do  
To the lovely Gangsta Boo, buck as fuck I thought you  
knew  
Put my sign up in ya face  
Leave ya stape without a trace  
You ain't buck 'cause bitch I saw ya stankin' ass  
yesterday  
Talk ya ? hoe ya ? 'cause I'm comin' in the crowd boy  
With niggas and I'm out slammin' bitches to the ground

[Lord Infamous]

I see ya from the stage ya angry face is fighting in the  
corner  
Full of marijuana niggas in the middle in a trauma  
While they throwin 'bo's they snatchin' hoes that stuck  
in a coma  
Any thick lil' fine bitch come on through a nigga all up  
on her  
Some trick done got mad and ran to the wagon and  
grabbed a 12 gauge pump  
Probably full of that numby numb that coke and rum  
and getting dumb  
Cars are barrelin' through the nigga shootin' runnin to  
the Rover  
Niggas catchin the heat from slugs  
Negroes gettin trampled over

[Hook x 2]

[Juicy J]

Now I got you bitches hot

Platinum out and on the spot  
Mad becuae they take your cell  
So they stop at slangin rocks  
Bring yo ass to North Memphis  
Killas hang and niggas pimpin  
Playas on them cards flippin  
Choppin dope up in the kitchen  
And I always keep it real  
Way before a record deal  
So my nigga don't hate on me 'cause Juicy J be gettin  
his bills  
Clean that mug from off ya face unless you want a  
casket case  
Nigga fuck what you end, who you clean, and fuck ya  
friend

[DJ Paul]

Nigga you claimin set, throwin', showin' signs  
You ain't no one look inside your face is plain as day  
Another hoe is showin'  
Bitch I'm down with the same game you claim but I will  
fuck you up  
Hoe it ain't the same off in them flames I don't give a  
fuck  
Put some in your liver you so ? in the studio  
Nigga all but the liver watch you run like bitch was  
stealers that I let you  
know  
Packing automatics full of that static that you stressin'  
for  
Actin' like you want some but it seems you scared to go

[Hook]

[Koopsta Knicca]

Hey don't call me for sweet songs  
Ain't no ?  
Ain't no funky smilin' faces  
Ain't no grins up on this man  
It's the ? that keeps me cool  
Social security breaking news  
Shit could fight up all night with mo henny wait that's  
how I (breath)  
Do you feel it? Is it rare?  
Smack that bitch up with that chair  
When you see me over there  
Raise your hands up in the air  
'Cause bitch this ain't no Rosewood  
Nigga take another round  
Slipped up, chopped up, fucked, lights out

[Crunchy Black]

Claim where I claim, hang where I hang

Burn where I burn, nigga ain't no thing

Do what I do, hanging with my crew

(What, what, what, what) nigga I thought you knew

Ain't no hood, throwin our sets

Me fucking more nigga no disrespect

Get out our way, gun will spray

Easy come nigga anyday

[Hook until fade]
