Belief makes things real
Makes things feel, feel alright
Belief makes things true
Things like you, you and I

Tonight you arrest in my mind
When you came to my defense
With a knife
In the shape of your mouth
In the form of your body
With the wrath of a God
Oh you stood by me

Belief builds from scratch
Doesn't have to relax
It doesn't need space
Long live the Queen
And I'll be the King
In the colour of grace

Oh
Tonight you arrest in my mind
When you came to my defense
With a knife
In the shape of your mouth
In the form of your body
With the wrath of a God
Oh you stood by me, Belief

I'm gonna yell it
From the roof tops
I'll wear a sign on my chest
That's the least I can do
It's the least I can do

(Chorus)

And I'll stand by mine, belief
Oh, I'll stand by mine, belief
