Speak, speak your mind
You're always telling me
I need to open mine
And wait, wait your turn
Then shut me out
Cause you've got nothing
Left to learn

Oh, you say
There's nothing wrong
With being proud
So tell me what you love
And say it loud
Now here's the dose
That you've been dishing out

If you're listening this
Is how much it hurts
If you're listening this
Is how much it hurts

Oh, I'm wrong
I'm wrong again
But not because of where
I stand but where I've been
And it burns
You know it burns like hell
To know
There's nothing I can do
But wish you well

You say
There's nothing wrong
With being proud
So tell me what you love
And say it loud
I've been
Good enough to stay
And hear you out
But you're wrong
You're never wrong

You say
There's nothing wrong
With being proud
Yeah, so tell me
What you love
And say it loud
I've been giving you
The benefit of the doubt

(If you're listening this
Is how much it hurts) (4x)
