All this feels
Strange and untrue
And I won't waste
A minute without you
My bones ache
My skin feels cold
And I'm getting
So tired and so old

The anger
Swells in my guts
And I won't feel
These slices and cuts
I want so much
To open your eyes
'Cause I need you
To look into mine

(4x):
Tell me that
You'll open your eyes

Get up, get out
Get away
From these liars
'Cause they don't get
Your soul or your fire
Take my hand
Knot your fingers
Through mine
And we'll walk
From this dark room
For the last time

Every minute
From this minute now
We can do what
We like anywhere
I want so much
To open your eyes
'Cause I need you
To look into mine

(8x):
Tell me that
You'll open your eyes

All this feels
Strange and untrue
And I won't waste
A minute without you
