It's not a silly little moment
It's not the storm before the calm
This is the deep and dying breath
Of this love
That we've been working on

Can't seem to hold you
Like I want to
So I can feel you in my arms
Nobody's gonna come and save you
We pulled too many false alarms

We're going down
And you can see it, too
We're going down
And you know that we're doomed
My dear
We're slow dancing in a burning room

I was the one you always dreamed of
You were the one I tried to draw
How dare you say it's nothin to me?
Baby, you're the only light I ever saw
I'll make the most of all the sadness
You'll be a bitch because you can
You'll try to hit me just hurt me
So you leave me feeling dirty
Because you can't understand

We're goin down
And you can see it, too
We're goin down
And you know that we're doomed
My dear
We're slow dancing in a burning room

Go cry about it, why don't you?
My dear
We're slow dancing in a burnin room

Don't you think
We oughta know by now?

Don't you think
We should have learned somehow?
